More from DDE Adventures:

Crown of Charon - a multi-session deathtrap dungeon crawling adventure on an epic scale, designed to transition a group of PCs from the mortal realm and ascend into godhood.

The Eternal Serpent Tower - a tightly packed injection of serpent-themed dungeon crawling ready to bite off your face and poison your children in their sleep.

Crush the Rebellion - a fast-paced roleplaying game with a heavy focus on dystopian world-building where players take the role of competing agents struggling to fulfill their own personal agendas in a hostile, bureaucratic nightmare futuristic fantasy universe.

Fortress of the Ur-Mage (5E) - The Ur-Mage opens the doors of his fortress once each decade, allowing the heroes of the realm to enter.
Legend has it that a great prize waits within the fortress: the Wand of Death itself.
This epic dungeon delve also features a competitive head-to-head mode, where multiple parties delve the dungeon at the same time.

The Lost Crown of Tesh-Naga - a Torchbearer dungeon crawl to disrupt the entrenched power dynamics in a splinter group Hobgoblin clan and recover a lost relic that bears the spirit of conquest bound by a generation of failed crusaders.
